

“Battle of the Champion” Tallies

Directions: As you listen to the group representatives discuss, use the chart below to count up the number of times each champion argues effectively. The winning team will be determined by these tallies. Remember that your teacher will assess your participation/active listening by reviewing your tally sheet.

Quality	Champion 1	Champion 2	Champion 3	Champion 4	Champion 5	Champion 6
Accurately states and identifies issues.						
Uses textual evidence to support assertions.						
Connects information to prior learning.						
Challenges the accuracy, logic, relevance, or clarity of others' statements.
